

## RUSH BUS CENTERS NOW HAS A DEDICATED SUPPORT LINE FOR CUSTOMERS IN TEXAS.

### > CALL 844-822-8484 TO BE ASSISTED PROMPTLY.

Rush Bus Centers in Texas wants all of our customers to expect more from the solutions we offer. For that reason, we've created a **dedicated toll-free phone number** for your parts, service and sales support needs. No more missed calls or voicemails. Your call will be handled smartly and professionally, and routed appropriately to a dedicated RushCare School Bus Support Center representative.

For parts, you'll be able to speak to a live representative between the hours of 6 a.m. and 6 p.m. Central Time, Monday through Friday. After hours, you'll be able to leave a message, and a representative will get back to you the following morning. For service, you'll have live coverage 24 hours for those late-night breakdowns.

In addition to our new dedicated number, we're offering:

- **RUSHCARE PARTS CONNECT®** is the new, easy-to-use and intuitive online parts ordering system. You can search parts for all makes and models of heavy- and medium-duty trucks, check availability and place an order – anywhere, anytime.
- **RUSHCARE SERVICE CONNECT®** is accessible via PC, tablet or mobile device so you can review service status and document all aspects of the service process in your office, at home or on the go
- **TWO-WAY TEXT COMMUNICATION** is a convenient tool for school districts that need the flexibility of reviewing and responding to service updates anywhere, anytime on their mobile device

Call **844-822-8484** for the RushCare School Bus Support Center. Be sure to ask us about Service Connect and Parts Connect.
